Dear Sirs

**RE: Land to the South of Cowards Lane, Codicote SG4 8UW (Title No. HD342568)**

Further to a telephone conversation with Nigel Smith at your office earlier this year we would like to offer our field for housing development under the current Local Plan. The field is approximately 4 acres in size and is suitable for medium density housing, I understand.

We attach a plan show the field location – edged in red.

We look forward to hearing from you.

Yours faithfully
