Dear Mr Atthews

Site Address 17, Caldicote Court, Harrison Close, Hitchin, Hert, SG4 9SL

Thank you for providing us with an opportunity to prepare a quotation. By return, we attach our itemised quote schedule as requested.

This quotation is valid for 30 days (pre-VAT value) and is based on the tree and worksite conditions observed on the day of inspection.

All tree work undertaken by us conforms to British Standard BS3998 - Recommendations for Tree Work 2010 and The European Tree Pruning Guide. Unless stated in any contract documents provided with this quotation, all waste produced as an activity of our works will be removed from site.

Please remember our Price Match Guarantee – which promises that we will beat any like for like quotation that you receive from an equally reputable company. To take advantage of our Price Match Guarantee, please send us a copy of any quotation that you wish us to beat.

Please ensure you read our terms and conditions of contract, which will apply to the works undertaken; including resolution procedures for any disputes and details of any late payment charges. Acceptance of this quotation confirms your agreement to abide by our terms and conditions of contract, a copy of which is available upon request.

Any worksite alterations made after our initial inspection date that may affect operational logistics, particularly site access and/or changes to the trees health and/or stability, may in turn affect this quotation. It is therefore the responsibility of the client to inform us before work commences, of any alterations that may affect operational logistics.

We trust that the information provided is a sufficient response to your request, and we look forward to being of service to you in the near future.

To accept this quotation, or if you have any queries or would like to discuss any amendments to this quotation, please contact the office on the number below, with your client or quote number to hand.

Kind regards

Arborcare
