Dear Sir/Madam

RE: 18/01383/DOC – Legion House, Paynes Park, Hitchin, Hertfordshire SG5 1EH

I write in reference to the above development and following the response from the Sustainable Drainage System Office for the 8th June 2018, please find attached a letter detailing information with regards to the permeable paved hardstanding area, and maintenance plan for all SuDS systems proposed at the development. I trust the attached is satisfactory in order to discharge condition 9, however please do not hesitate to contact myself should you have any queries.

Kind Regards

Shavonne Cooper
