2.0 **Site History**

2.1 Rear conservatory granted in 2002..

3.0 **Representations**

3.1 **Neighbours** – None received..

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The application property is a semi detached dwelling off of the corner of Spring Road and West View..

4.2 **Proposal**

4.2.1 The application proposes a single storey conservatory extension spanning nearly the full width of the dwelling some 3.4 m deep. The scheme is designed with a Victorian style roof with solid wall to the attached neighbour..

4.3 **Key Issues**

4.3.1 The key issues in this case centre on the impact of the scheme on the reasonable living conditions of the neighbours at No 65. Given its single storey nature, modest depth and separation from 65, I can see no material grounds for objection. The height to eaves would be about 2. 3m and being only 300mm above a notional 2m fence I can see no grounds for concluding that it would be overbearing or would occasion any loss of light. Public views are very limited so I can not conclude that there would be any harm to the conservation area.

4.4 **Conclusion**

4.4.1 That permission be granted subject to standard conditions.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

   Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement:
