Dear Ms MacGarry

Discharge of Conditions : Discharge of Condition 2: The extension roofs shall be covered in natural slate unless otherwise and approved in writing by the Local Planning Authority (as attached to planning permission reference 17/02268/1LB granted 21/01/2018)
The Ramblers, High Street, Barley, Royston, Hertfordshire, SG8 8JA,

Please quote the following reference: 18/01418/DOC on all correspondence.

I refer to your application received on 19 April 2018 which seeks approval of details for use on the above development pursuant to Condition 2 of the planning permission reference number 17/02268/1LB.

The applicant has confirmed that *'The roofs will be covered in natural slate, to safeguard the character'.* Although this condition does not require a sample to be submitted or indeed that the condition needs to be formally discharged prior to the commencement of the development, the details have been duly noted on our records. In this instance confirmation that the condition has been complied with can not be confirmed until the slates have been laid and the work inspected. Should you require the Local Planning Authority's agreement in this respect then you will need to apply in writing following the completion of the development.

Yours sincerely

Simon Ellis
Development & Conservation Manager
