Dear Madam, Full Planning Permission: Single storey side and rear extension. Roof extension to provide first floor accomadation. 2 Trahene Close Hitchin.

Thankyou for your request for comments regarding the above planning application which is next door.

We feel concerned about the proposed large dormer window shown on the side elevation, this window will directly overlook our property including our back garden and our privacy will be compromised. We also feel the value of our property will be reduced should we decide to sell in the future.

We strongly object to this proposal.

Yours faithfully
