

The figure displays five graphical scales for different drawing ratios. The top scale is for 1:500, showing a length of 50m divided into 10m segments, with a label 'Scale 1:500'. Below it are four more scales, each with a ratio and a zero mark on the left. The 1:20 scale has markings from 0 to 2000mm in 200mm increments. The 1:100 scale has markings from 0 to 10m in 1m increments. The 1:50 scale has markings from 0 to 5m in 1m increments. The 1:5 scale has markings from 0 to 500mm in 100mm increments.
