D1 – Sustainable Design
D2 – House Extensions and Replacement Dwellings
D3 – Protecting Living Conditions
T2 – Parking

1.4 **Supplementary Planning Document**

Vehicle Parking at New Development SPD (2011)

2.0 **Site History**

2.1 01/00263/1HH - Single storey rear extension, rear dormer window to first floor – Granted Conditional Permission on 17/04/2001.

2.2 88/01128/1 - Single storey side and rear conservatory extension and front entrance porch – Granted Conditional Permission on 10/08/1988.

2.3 79/01992/1 - Erection of two storey side extension – Granted Conditional Permission on 05/12/1979.

3.0 **Representations**

3.1 **Site Notice:**

Start Date: N/A Expiry Date: N/A

3.2 **Press Notice:**

Start Date: N/A Expiry Date: N/A

3.3 **Neighbouring Notifications:**

The owners/occupiers of No. 3 Lime Avenue and No. 37, 38 Beech Way were notified on 05/06/2018. No neighbouring representations have been received.

3.4 **Parish Council / Statutory Consultees:**

Kimpton Parish Council – No comment.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.4.1 No. 1 is a large two storey detached property situated on the south site of Lime Avenue in Blackmore End. The property features a white render finish and existing single storey rear extension, two storey side extension and front entrance porch.

4.2 **Proposal**

4.2.1 Planning permission is sought for the erection of a single storey rear extension following the demolition of the existing conservatory. The extension would measure approximately 6.1m in depth, 7.2m wide and 3.4m in height.

4.3 **Key Issues**

4.3.1 The key issues for consideration are as follows:

--The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.

--The impact that the proposed development would have on the living conditions of neighbouring properties.

--The impact that the proposed development would have on car parking provision in the area.

Design and Appearance:

4.3.2 The objectives of the NPPF include those seeking to secure high quality design and a good standard of amenity (Section 7 - Requiring good design). In this regard, Policy 28 and 57 of the Local Plan is consistent with the NPPF.

4.3.3 The application site sits within a large plot. The proposed development would be sited to the rear of the application dwelling and adjacent to the existing single storey rear projection. Given the siting of the development, single storey nature and appropriate design, it is considered that the development would result in no unacceptable impact upon the character and appearance of the host dwelling. The development would be compliant with Policy 28 and 57 of the District Local Plan and the core principles set out within the National Planning Policy Framework.

Impact on Neighbouring Properties:

4.3.4 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy 28 of the Local Plan.

4.3.5 The application site is neighboured by No. 3 Lime Avenue to the west of the application site. Given the siting of the single storey extension away from the party boundary with the neighbouring property, it is considered that the proposal would result in no unacceptable impact upon the amenities of the neighbouring occupiers.

4.3.6 Given the above, it is considered that the proposed development would result in no unacceptable overbearing impact upon neighbouring occupiers and is therefore compliant with Policy 28 of the District Local Plan and the aims of the National Planning Policy Framework.

Highways and Parking:

4.3.7 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

4.4 **Conclusion**

4.4.1 The proposed development is considered acceptable and are considered to comply with the necessary provisions of both the existing and emerging Local Plan policies and the National Planning Policy Framework. Grant conditional permission.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

   Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
