Dear Mrs Paula Baker

Trees (Conservation Area) : Beech _ Sycamore - Crown thin _ remove 6 no. lower branches. 106 High Street, Barkway, Royston, Hertfordshire, SG8 8EG,

Please quote the following reference: 18/00875/TCA on all correspondence.

I refer to your letter and enclosed plan of 28 March 2018 giving notification and details of work specified above, to trees within the Conservation Areas Conservation Area.

I can confirm that I have no objection to this work. The requirements of Section 211 of The 1990 Town and Country Planning Act have therefore been met and you may proceed with the work at your earliest convenience. I have enclosed a list of professional arboricultural contractors for your information.

The work referred to above should be completed within 2 years from the date of this letter. If it is not, and you still wish to carry it out, you will need to re-notify the Council of your intention to carry out the works.

As a separate matter I have noted that you are not the owner of the trees. This letter does not constitute the agreement of the owners and I would suggest that you ensure that you have their permission before proceeding. If there is any dispute this will be a civil matter between the parties involved upon which you should seek independent legal advice.

Yours sincerely

Simon Ellis
Development & Conservation Manager
