Dear Sir / Madam,

**Adjoining Authorities Consultation : Request for Screening Opinion under the Town and Country Planning (Environmental Impact Assessment) Regulations 2017 in relation to the proposed solar farm
Land South Of Ashwell Street, Bassingbourn, South Cambridgeshire**

I write with reference to the above application which you have consulted us on.

In the opinion of the North Herts Council Local Planning Authority, the development would not be EIA development.

Part of the red line shown on the location plan is on land within the North Herts Council authority area. The applicant should consider whether it would be appropriate to apply directly to North Herts Council for an EIA screening opinion.

Furthermore, we would expect a planning application be submitted to North Herts Council in the event of any part of the site lying within the district.

I hope the above is of assistance.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
