2.0 **Relevant Site History**

2.1 16/01797/1 - 30 dwellings together with associated access, parking, amenity and open space. Conditional Permission.

Condition 8 of the above removes permitted development rights for Classes A, B, C, D and E of Part 1 of Schedule 2 of The Town and Country Planning (General permitted Development) (England) Order 2015 as (amended).

3.0 **Representations**

3.1 **Site and Neighbour Consultation – None received.**

3.2 **Ashwell Parish Council** – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The application site comprises of a two-storey detached residential dwelling with attached car-port providing for three off-street parking spaces and gardens to both front and rear.

4.1.2 The application site is within the settlement boundary for Ashwell where development is generally acceptable subject to policy requirements.

4.2 **Proposal**

4.2.1 Single storey rear extension.

4.3 **Key Issues**

4.3.1 The key issues for consideration are as follows:

- The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.
- The impact that the proposed development would have on the living conditions of neighbouring properties.
- The impact that the proposed development would have on car parking provision in the area.
- The impact that the proposed development would have on the environment.

Design and Appearance:

4.3.2 The objectives of the National Planning Policy Framework (NPPF) include those seeking to secure the creation of high quality, beautiful and sustainable buildings and places (Section 12 – Achieving well-designed and beautiful places). Paragraph 131 of the NPPF states that “*Good design is a key aspect of sustainable development, creates better places in which to live and work and helps make development acceptable communities*”. In this regard, Policy D1 and D2 of the North Hertfordshire Local Plan are consistent with the objectives set out within the NPPF.

4.3.3 The proposed rear extension would be set back from both the rear and side elevations of the existing dwelling and would infill what is currently an existing patio area. The roof form would be mono pitched with its highest point being slightly raised above the sill level of first floor windows. Openings would comprise of a set of bi-folding doors to the rear elevation with two velux rooflights. Materials would match those of the existing dwelling albeit the bi-folding doors would be painted white aluminium as opposed to openings in the existing dwelling which are white uPVC. The extension is considered to be of a minor scale which sits comfortably with the existing dwelling and is acceptable in design terms. Given the position of the proposed extension, it would not be visible from the streetscene and would not detract from the character and appearance of the wider estate of Claybush Hill Meadow.

Impact on Neighbouring Properties:

- 4.3.4 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy D3 of the NHLP.
- 4.3.5 Given the position of the proposed extension and its minor scale, I am satisfied that there would be no significant impact to existing residential amenity as a result of the proposed development and is acceptable.

Highways and Parking:

- 4.3.6 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

Environmental Implications:

- 4.3.7 Section 14 of the NPPF sets out how the planning system should support the transition to a low carbon future. The principles set out in Section 14 are reflected in Policy D1 of the North Herts Local Plan, which sets out that development proposal should take all reasonable opportunities to reduce energy consumption and waste, retain existing vegetation and propose new appropriate planting, and future proof for changes in technology and lifestyle.
- 4.3.8 The proposed development, would have no significant implications for the local environment in terms of carbon emissions and therefore would be generally in compliance with Section 14 of the NPPF and Policy D1.

Biodiversity Net Gain (BNG)

- 4.3.9 This is a householder application which is exempt from BNG legislation defined under article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

4.4 Conclusion

- 4.4.1 The proposed development is considered acceptable and in accordance with Policies SP1, SP9, D1, D2 and D3 of the NHLP 2011-2031 and Sections 2, 12 and 14 of the NPPF 2023.

4.5 Alternative Options

- 4.5.1 N/A

4.6 Pre-Commencement Conditions

- 4.6.1 N/A

5.0 Recommendation

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The extension hereby permitted shall be built in external materials to match the existing dwellinghouse unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the visual amenities of the locality and to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
