I refer to your letter and enclosed plan of 7 March 2018 giving notification and details of work specified above, to trees within the Conservation Areas Conservation Area.

I can confirm that I have no objection to this work. The requirements of Section 211 of The 1990 Town and Country Planning Act have therefore been met and you may proceed with the work at your earliest convenience.

Finally, I would suggest that you also inform the Letchworth Garden City Heritage Foundation of the proposed work.
