Dear Mr L Jones

Discharge of Conditions : Discharge of Condition 3: No demolition/development shall take place/commence until an Archaeological, Written Scheme of Investigation has been submitted to and approved by the local, planning authority in writing (as attached to planning permission 17/02634/1HH granted 28/12/2017)
Church End Cottage, Bennetts Lane, Rushden, Buntingford, Hertfordshire, SG9 0SG,

Please quote the following reference: 18/00600/DOC on all correspondence.

I refer to your application received on 8 March 2018 which seeks approval of Condition 3 Part A of the planning permission reference number 17/02634/1HH.

I have received a response from Dr Wood at HCC which states:

"The archaeological Written Scheme of Investigation (WSI) submitted by the applicant meets the requirements of this office. I can therefore advise partial discharge of condition 3 (Part A only). Please note that I cannot advise discharge of parts B and C until the work has been carried out in accordance with the agreed WSI, it is certain that no further archaeological work is required, and a satisfactory report has been received by NHDC".

Therefore, I can confirm that Part A is hereby discharged. However, the condition remains outstanding until the information for Parts B and C is submitted and agreed.

Yours sincerely

Simon Ellis
Development & Conservation Manager
