Retention of Access in association with the use of the Caravan Club site.

Rose Farm, Codicote Road, Whitwell Sg4 8AB.

This application is for the retention of the existing field access, five bar gate and pedestrian gate at Rose Farm. The road access was established in 2012 and is used by guests on the caravan club site which opened in 2013.

The visibility splays of 43m in each direction were considered by R.Taylor at Herts Highways during the application 15/0002666/1 and were considered to meet highways standards.
