Dear Sir / Madam,

Electronic Communications : 15 metre tall lattice mast (Your reference 3695 VF)

Land At Grid Reference 523805 235125, Norton Mill Lane, Radwell, Hertfordshire,

I refer to your letter received on 27 April as a formal request to retain electronic communications apparatus.

I would confirm that the Local Planning Authority considers the work would benefit from being permitted development as defined by the Town and Country Planning (General Permitted Development) Order 2015, Schedule 2, Part 16, Class A.

I can confirm that there are no conditions the Council would wish to impose under the provisions of Article 5(3) of the Regulations for these works.
