1.0 Policies

2.0 **Site History**

2.1 Various notifications for works to trees within the School grounds.

3.0 **Representations**

3.1 None

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 Part of the extensive St Christopher School site within the Letchworth Conservation Area.

4.2 **Proposal**

4.2.1 Removal of one Ash tree - the application states the following:-

Fell because of potential breakage from union of co-dominant stems, in close proximity to play area for young children. Replant with one standard tree on school site.

4.3 **Key Issues**

4.3.1 If the work is considered inappropriate is the tree worthy of the further protection afforded by a TPO.

4.3.2 Assessment – the tree is in a poor condition and is close to the play arear and a footpath. It is not of such significant public amenity value, in good health or such a fine specimen as to warrant the making of a specific TPO.

4.4 **Conclusion**

4.4.1 In this instance no objections raised as the tree is not worthy of further protection in my view.

5.0 **Recommendation**

5.1 No objection.
