Dear Sir,

**Details of Condition: Details reserved by Condition 10: (Details of wind turbine) of planning permission 25/02219/FP granted on 11/11/2025
Herts Native Trees, Ashwell Road, Bygrave, Baldock, Hertfordshire, SG7 5EB**

I refer to your application received on 2nd March 2026, which seeks approval of details of wind turbine pursuant to Condition 10 of planning permission reference number 25/02219/FP.

Following consultation with the Council's Environmental Health (Noise and Other Nuisance Team), I confirm that the submitted details are considered acceptable and are hereby approved. However, I should point out that the Council's Ecology Officer has expressed concern following the potential height of adjacent planting which is likely in the longer term to encourage bats to the area, and the position of the turbine may put them at risk. There are options to consider for re-siting of the turbine, and I am more than happy to discuss these in more detail should you wish to do so.

For the avoidance of doubt, the approved details are referenced below:

Product Specification – Turbine 1, 2 and 3.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
