Proposed Retention of EXISTING SHED housing a DISABLED PERSONS WC at St Mary's Church, Church Road, Kings Walden SG4 8JX

The timber shed is located behind a historic fence (which was replaced a couple of years ago like for like) and is for the use of disabled persons visiting the church.

Only the very top of the shed is visible above the fence line

The shed / WC is accessed via an existing lockable gate in the existing fence

It is housing a specialist earth closet purchased from Canada for the use of parishioners and is fitted with disabled person hand rails
