Tree Report

1.
Miss Pope has two large trees (one Field Maple & one Chestnut) located in rear garden at far left hand side.
Trees are close to the boundary line & overhang neighbours sheds. The neighbours have complained about the mess, lack of light & limbs dropping on the roofs.

Recommended Action

1. Reduce trees by 40%, trim & shape (crown reduction)
2. Remove damaged & diseased wood

Yours Sincerely,

Bolton Tree Services.
