Mr Ben Glover Contact

Dear Sir

Thank you for your letter reference 18/00598/FPH dated 8th March 2018.

I wish it to be specifically registered that the proposed extensions must not block light into my room which will be the closest part of my house to next door. Also I want it to be specifically registered that the proposed extensions must not encroach on to my land.

[redacted]

Yours faithfully

W A Thomas
