Planning Officer,
North Herts. District Council

15/March/2018

Ground Floor Rear Extension,
8 Berkeley, Letchworth Garden City.

We have seen the plans of the proposed alterations to our neighbours property, and can see no objections.

The only consideration, that we wish to put before North Herts District Council, is whether there is adequate drainage provision for the extra demand that the extension poses, bearing in mind that, we only have a shared drain at the moment, which runs down the driveways.

Yours Sincerely,

[redacted]

Brian and Maureen Newbery
