4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The application property is a detached chalet bungalow.

4.2 **Proposal**

4.2.1 The application proposes a single storey rear extension spanning half the width of the dwelling some 4.5 m deep. The scheme is designed with a flat roof and parapet which incorporates a lantern rooflight. The new extension would replace an existing single storey conservatory. The scheme does specify a chimney.

4.3 **Key Issues**

4.3.1 The key issues in this case centre on the impact of the scheme on the reasonable living conditions of the neighbours at No 3 Newlands and 52 Willian Way. Given its single storey nature, depth and separation from the above properties, I can see no material grounds for objection. The height to the top of the parapet would be about 3m and being only 1m above a notional 2m fence I can see no grounds for concluding that it would be overbearing or would occasion any loss of light. The specified chimney is not objectionable in planning terms and the use of such would be covered under the building regulations.

4.4 **Conclusion**

4.4.1 That permission be granted subject to standard conditions.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.
