

Equipment/Buildings	Materials	Proposed Colours (and photos of typical example)
Battery Containers	Steel/GRP containers	RAL9003 ('Signal White') or similar  RAL 9003 Signal White Please find a photographic example below: 

Inverter / Transformer Stations	Steel/GRP containers	RAL9003 ('Signal White') or similar  RAL 9003 Signal White Please find a photographic example below: 
---------------------------------------	-------------------------	--

Solar Transformers	Steel/GRP containers	External Casing RAL 6002 (“Leaf Green”) and internal equipment RAL 7035 (‘Light Grey’) or similar  RAL 6002 Leaf Green  RAL 7035 Light Grey Please find a photographic example below: 
--------------------	----------------------	--

Switchgear Buildings	Steel/GRP containers	RAL6002 ('Leaf Green') or similar  RAL 6002 Leaf Green Please find a photographic example below: 
----------------------	----------------------	---

Welfare Building	Steel/GRP container	RAL6002 ('Leaf Green') or similar  RAL 6002 Leaf Green Please find a photographic example below: 
------------------	---------------------	---

Solar Panels and Frames	Steel/Aluminium support frames and Photovoltaic Solar Panels. Please refer to the enclosed datasheets and detailed information for further details.	Please find a photographic example below: 
--------------------------------	---	---

Storage Building (container)	Steel/GRP container	RAL6002 ('Leaf Green') or similar  RAL 6002 Leaf Green Please find a photographic example below: 
---------------------------------	---------------------	--

Water Tank	Steel / PVC	Galvanised / Black Cover Please find a photographic example below: 
------------	-------------	---

Grid / Harmonic Filter Building	GRP	RAL6002 ('Leaf Green') or similar  RAL 6002 Leaf Green Please find a photographic example below: 
CCTV columns	Please refer to the enclosed manufacturer's datasheets.	

CCTV columns	Please refer to the enclosed manufacturer's datasheets.
