7 Priory lane Royston SG8 9DU

With a lot of consideration we would have to say No to the single storey front porch. This will block a very nice view to the park from our front door and window The double storey extention at the rear again this will block us in. We are not opposed to a single storey rear extention. Our new neighbors have already informed us of their proposals and are aware of our views and reasons on this matter.

yours sincerely
