NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:
Peter George Town Planning
Nine Hills Road
Cambridge
CB2 1GE

Applicant:
Mr A Watts

PARTICULARS OF DEVELOPMENT

Application: 25/00949/FP

Proposal: Erection of two detached dwellings with private gardens including landscaping, parking and widening of existing vehicular access off Stevenage Road.

Location: Land Between Shangri-La And Todds Corner, Stevenage Road, Todds Green, Hertfordshire, SG1 2JE

Plan Nos: TM/TG/001 TM/TG/002 TM/TG/003 TM/TG/004A
TM/TG/005 TM/TG/006 Plot 1 TM/TG/007 - Plot 2
TM/TG/008 TM/TG/009 TM/TG/010A TM/TG/011A

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 4 April 2025, subject to the following condition(s):

Biodiversity Net Gain

1. The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:
(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.
The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be North Hertfordshire District Council.
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply (<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>).
Based on the information available this permission is considered to be one which will require the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements are considered to apply.

Planning Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.
3. Details and/or samples of materials to be used on all external elevations and the roof of the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced and the approved details shall be implemented on site.

Reason: To ensure that the development will have an acceptable appearance which does not detract from the appearance and character of the surrounding area and to comply with Policy D1 of the North Hertfordshire Local Plan 2011 to 2031.
4. Prior to the first occupation of the development hereby permitted, the following works shall be fully implemented and completed in accordance with the approved plans (Drawing Refs: ST-3849-700

and TM/TG/010/Revision A):

- o The proposed vehicular access arrangement,
- o Visibility splays,
- o Associated footway connections, and
- o The relocation of existing road signage and lighting column.

All works shall be carried out in accordance with the highway design standards set out in Roads in Hertfordshire: A Design Guide. Provision shall also be made to ensure that surface water drainage is intercepted and disposed of separately, so that it does not discharge onto or from the highway carriageway. These works shall thereafter be retained and maintained for the lifetime of the development.

Reason: To ensure satisfactory access into the site and avoid carriage of extraneous material or surface water from or onto the highway in accordance with Policy 5 of Hertfordshire's Local Transport Plan (adopted 2018).

5. No development shall commence until a Construction Traffic Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the construction of the development shall only be carried out in accordance with the approved Plan. The Construction Traffic Management Plan shall include details of:
- a. Construction vehicle numbers, type, routing.
 - b. Access arrangements to the site.
 - c. Measure to minimise dust, noise machinery and traffic noise impacts during construction.
 - d. Screening and hoarding details to protect neighbouring residents.
 - e. Traffic management requirements, including the location of routes and from the site, details of their signing monitoring and enforcement measures.
 - f. Construction and storage compounds (including areas designated for car parking, loading /unloading and turning areas);
 - g. Siting and details of wheel washing facilities.
 - h. Cleaning of site entrances, site tracks and the adjacent public highway including end of day tidying procedures to ensure protection of the site out the hours of construction.
- The construction activities shall be designed and undertake in accordance with the code of best practice set out in BS 5228 1997 and the agreed details unless otherwise agreed in writing by the LPA and Highways.
- Page 21
- i. Timing of construction activities (including delivery times and removal of waste) and to avoid school pick up/drop off times.
 - j. Provision of sufficient on-site parking prior to commencement of construction activities.
 - k. Post construction restoration/reinstatement of the working areas and temporary access to the public highway.

Reason: In order to protect highway safety and the amenity of other users of the public highway and rights of way in accordance with Policies 5, 12, 17 and 22 of Hertfordshire's Local Transport Plan (adopted 2018).

6. No development shall take place before details of the proposed finished floor levels; ridge and eaves heights of the building hereby approved have been

submitted to and approved in writing by the Local Planning Authority. The submitted levels details shall be measured against a fixed datum and shall show the existing and finished ground levels, eaves and ridge heights of immediately surrounding properties. The development shall be carried out as approved.

Reason: To ensure that the finished appearance of the development will enhance the character and visual amenities of the area and to comply with Policy D1 of the Local Plan

7. No development shall take place until an Ecological Enhancement Plan (EES) for the creation of new wildlife features such as hibernacula, the inclusion of integrated bird/bat and bee boxes in buildings/structures and hedgehog holes in fences, has been submitted to and approved in writing by the local planning authority.

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the National Planning Policy Framework. To accord with Policy NE4 of the Local Plan

8. The development shall not commence until a Habitat Management and Monitoring Plan (HMMP), prepared in accordance with the approved Biodiversity Gain Plan has been submitted to, and approved in writing by, the local planning authority and including;
 - (a) a non-technical summary;
 - (b) the roles and responsibilities of the people or organisation(s) delivering the [HMMP];
 - (c) the planned habitat creation and enhancement works in accordance with the approved Biodiversity Gain Plan;
 - (d) the management measures to maintain habitat in accordance with the approved Biodiversity Gain Plan for a period of 30 years from the completion of development;
 - (e) the monitoring methodology and frequency in respect of the created or enhanced habitat to be submitted to the local planning authority,.

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the North Herts Local Plan policy NE4.

9. The development hereby approved shall be carried out in accordance with the recommended mitigation set out in the submitted Ecological Impact Assessment by MS Ecology.

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the North Herts Local Plan policy NE4.

10. No development approved by this permission shall take place until the following has been submitted to and approved in writing by the Local Planning Authority:

- o A Phase 1 Desk Study report documenting the ground conditions of the site with regard to potential contamination;
- o A Phase 2 Site Investigation (where shown as necessary the Phase 1 Desk Study);
- o A Phase 3 Remediation Scheme (where shown as necessary by the Phase 2 Site Investigation)

All such work shall be undertaken in accordance with BS:10175:2011 or other appropriate guidance issued by the regulatory authorities. The work shall be sufficient to ensure that measures will be taken to mitigate any risks to human health and the wider environment.

Reason: To protect human health and to ensure that no future investigation is required under Part 2A of the Environmental Protection Act 1990.

11. Prior to any permitted dwellings being occupied a validation report shall be submitted and approved in writing by the Local Planning Authority to demonstrate the effectiveness of any agreed Remediation Strategy. Any such validation shall include responses to any unexpected contamination discovered during works.

Reason: To protect human health and to ensure that no future investigation is required under Part 2A of the Environmental Protection Act 1990.

12. In the event that contamination not identified in the ground investigations to date is found at any time when carrying out the approved development, it shall be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment shall then be undertaken by a competent person, in accordance with BS10175:2011. A written report of the findings should be forwarded for approval to the Local Planning Authority. Following completion of remedial measures a verification report shall be prepared that demonstrates the effectiveness of the remediation carried out. No part of the development should be occupied until all remedial and validation works are approved in writing.

Reason: To protect human health and to ensure that no future investigation is required under Part 2A of the Environmental Protection Act 1990.

13. The approved details of landscaping shall be carried out before the end of the first planting season following either the first occupation of any of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced during the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to vary or dispense with this requirement.

Reason: To safeguard and enhance the appearance of the completed development and the visual amenity of the locality, and to comply with Policy NE2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. The Council acted proactively through early engagement with the applicant at the pre-application stage which led to improvements to the scheme. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Informative/s:

1. HIGHWAY INFORMATIVES:

AN) Extent of Highway: Information on obtaining the extent of public highway around the site can be obtained from the HCC website:

www.hertfordshire.gov.uk/services/highways-roads-and-pavements/changes-to-your-road/extent-of-highways.aspx

AN) Storage of materials: The applicant is advised that the storage of materials associated with the construction of this development should be provided within the site on land which is not public highway, and the use of such areas must not interfere with the public highway. If this is not possible, authorisation should be sought from the Highway Authority before construction works commence.

Further information is available via the County Council website at:

<https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN) Obstruction of highway: It is an offence under section 137 of the Highways Act 1980 for any

person, without lawful authority or excuse, in any way to wilfully obstruct the free passage along a highway or public right of way. If this development is likely to result in the public highway or public right of way network becoming routinely blocked (fully or partly) the applicant must contact the Highway Authority to obtain their permission and requirements before construction works

commence. Further information is available via the County Council website at:

<https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN) Debris and deposits on the highway: It is an offence under section 148 of the Highways Act 1980 to deposit compost, dung or other material for dressing land, or any rubbish on a made up carriageway, or any or other debris on a highway to the interruption of any highway user. Section 149 of the same Act gives the Highway Authority powers to remove such material at the expense of the party responsible. Therefore, best practical means shall be taken at all times to ensure that all vehicles leaving the site during construction of the development and use thereafter are in a condition such as not to emit dust or deposit mud, slurry or other debris on the highway. Further information is available by telephoning 0300 1234047.

AN) Works within the highway (section 278): The applicant is advised that in order to comply with this permission it will be necessary for the developer of the site to

enter into an agreement with Hertfordshire County Council as Highway Authority under Section 278 of the Highways Act 1980 to ensure the satisfactory completion of the access and associated road improvements. The construction of such works must be undertaken to the satisfaction and specification of the Highway Authority, and by a contractor who is authorised to work in the public highway. Before works commence the applicant will need to apply to the Highway Authority to obtain their permission and requirements. Further information is available via the County Council website at:
<https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/development-management/highways-development-management.aspx> or by telephoning 0300 1234047.

Environmental Health Informatives

During the construction phase the guidance in BS5228-1:2009 (Code of Practice for noise Control on construction and open sites) should be adhered to.

During the construction phase no noisy activities shall take place outside the following hours: Monday to Friday 08:00-18:00hrs; Saturdays 08:00-13:00hrs and Sundays and Bank Holidays: no noisy work at any time.

Signed:

Shaun Greaves

Date: 5 September 2025

The Council's Privacy Notice is available on our website: <https://www.north-herts.gov.uk/home/council-data-and-performance/data-protection/information-management-gdpr>

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.
- 3 The fee is £298 per request or £86 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:
www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-application
- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.
- 5 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

6 Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.

8 Cadent Gas Informative:

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com Alternatively you can register on www.beforeyoudig.cadentgas.com This service is free of charge.

THIS PLANNING PERMISSION DOES NOT CONSTITUTE APPROVAL UNDER BUILDING REGULATIONS AND IS NOT A LISTED BUILDING CONSENT OR CONSERVATION AREA CONSENT. IT DOES NOT CONVEY ANY APPROVAL OR CONSENT WHICH MAY BE REQUIRED UNDER ANY ENACTMENT, BYE-LAW, ORDER OR REGULATION OTHER THAN SECTION 57 OF THE TOWN AND COUNTRY PLANNING ACT 1990.
