Dear Mr Pope,

Discharge of Condition 2; Prior to the part dismantling of the inner slopes of the rear gables at second floor to facilitate the formation of the new staircase and split landing and following the removal of the existing roof covering, the existing roof construction in its stripped back form shall be photographically recorded. Furthermore, when forming the 4no. openings at first floor in the existing double gable end (2no. kitchens and 2no. bathrooms), any evidence of original timber frame shall be photographically recorded. In both cases, a copy of the photographic survey shall be deposited with the Local Planning Authority prior to the construction of i) the first to second floor staircase and ii) the new openings at first floor as referred to above (as attached to Listed Building consent reference 15/01124/1LB granted 27/05/2016)
20 Whitehorse Street, Baldock, Hertfordshire, SG7 6QN,

Please quote the following reference: 18/00834/DOC on all correspondence.

I refer to your application received on 11th April 2018 which seeks approval of the photographic recording of the inner slopes of the rear gables and the timber frame in the existing double gable end pursuant to Condition 2 of the listed building consent reference number 15/01124/1LB.

On the basis of the details provided in the Structural Timber Record dated 15th March 2018 and received on 23rd March 2018 and the Structural Timer Record (Part II Additional Images) dated 10th April 2018 and received on 11th April 2018, I am prepared, on behalf of the Local Planning Authority, to approve the photographic recording, thus, satisfying Condition 2 of Listed Building Consent 15/01124/1LB.

Yours sincerely

Simon Ellis
Development & Conservation Manager
