D1 – Sustainable Design
D2 – House Extensions and Replacement Dwellings
D3 – Protecting Living Conditions
T2 – Parking

1.4 **Supplementary Planning Document**

Vehicle Parking at New Development SPD (2011

2.0 **Site History**

2.1 No previous relevant planning history.

3.0 **Representations**

3.1 **Site Notice:**

Start Date: 12/06/2017 Expiry Date: 03/07/2018

3.2 **Press Notice:**

Start Date: N/A Expiry Date: N/A

3.3 **Neighbouring Notifications:**

The owners/occupiers of No. 8 and 10 Pirton Road were notified on 05/06/2018. No neighbouring representations have been received.

3.4 **Parish Council / Statutory Consultees:**

Holwell Parish Council – No comments received

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 No. 9 is a two storey mid-terrace property situated on the west side of Pirton Road in Holwell. The property features a rendered finish with uPVC fenestration and existing single storey rear outrigger. The application dwellings is not situated within the Green Belt however, the rear garden is partially within the Green Belt.

4.2 **Proposal**

4.2.1 Planning permission is sought for the erection of a single storey rear extension and erection of a front porch. The rear extension would measure approximately 4m in depth, 5.8m wide and 3.1m in height. The porch would measure approximately 1.1m in depth, 2m wide and 3.5m in height with 2.3m to the eaves

4.3 **Key Issues**

4.3.1 The key issues for consideration are as follows:

--The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.

--The impact that the proposed development would have on the living conditions of neighbouring properties.

--The impact that the proposed development would have on car parking provision in the area.

Design and Appearance:

4.3.2 The objectives of the NPPF include those seeking to secure high quality design and a good standard of amenity (Chapter 12 – Achieving well-designed places). In this regard, Policy 28 and 57 of the Local Plan is consistent with the NPPF.

4.3.3 The proposed single storey extension would be sited to the rear of the application dwelling and out of view of the surrounding street scene. Furthermore, the extension would be of an appropriate scale to that of the host dwelling given its acceptable depth, width and single storey height.

4.3.4 The front porch would be subservient to the host dwelling and would not result in any unacceptable impact upon the character and appearance of the property given its appropriate scale and design.

4.3.4 Given the above, it is considered that the proposed development would not result in an unacceptable impact upon the character and appearance of the host property and would therefore be compliant with Policy 28 and 57 of the District Local Plan and the core principles set out within the National Planning Policy Framework.

Impact on Neighbouring Properties:

4.3.6 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy 28 of the Local Plan.

4.3.7 The application site is neighboured by No. 8 and 10 Pirton Road. Between the application site and No. 10 Pirton Road, there is an existing single storey outrigger that would be replaced with the similar depth rear extension. It is considered that the resulting development would result in no unacceptable additional impact upon the existing relationship between the two properties.

4.3.7 The proposed development would project for 4m along the party boundary with No. 8 Pirton Road. Given the orientation of the neighbouring properties in relation to the path of the sun, the single storey nature of the development and 4m depth, it is considered that the extension would not result in any unacceptable harm upon the amenities of the neighbouring occupiers.

4.3.8 Given the above, it is considered that the proposed development would result in no unacceptable overbearing impact upon neighbouring occupiers and is therefore compliant with Policy 28 of the District Local Plan and the aims of the National Planning Policy Framework.

Highways and Parking:

4.3.9 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

4.4 **Conclusion**

4.4.1 The proposed development is considered acceptable and are considered to comply with the necessary provisions of both the existing and emerging Local Plan policies and the National Planning Policy Framework. Grant conditional permission.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

   Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement:
Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
