Dear Linda,

Re: Highover Farm, Highover Way – 26/00962/S106 – Final Footpath Schemes

In respect of the above S106 obligation discharge, we are now in a position to formally submit amendments to the footpath scheme, following discussions with HCC Highways and also with the adjacent Farmyard owners now that their conversion application has been approved.

Attached are the revised plans for each footpath link (other than High Dane, as this was already approved as part of the Infrastructure RM), alongside a Typed note setting out the HCC/Ed Leigh comments and the various responses from WSP:

- 62240435-TAA-DP-100-007-P13 Collinson Close
- 62240435-TAA-DP-100-006-P12 Armour Rise
- 62240435-TAA-DP-100-004-P13 Highover Way
- Response Note – Highway Authority comments/WSP comments

Please note that the revised plans and the note have also been sent to HCC Officers directly by WSP to hopefully move the consultation along, appreciating that you will have to formally consult them in any event.

I hope that nothing further is required, and that I can look forward to receiving confirmation of discharge of the obligation in short order.

Yours sincerely,

Sarah R Smith
