

MATERIALS

Architectural elevation drawing of a proposed extension. The drawing shows a brick wall with two large windows (DE2) and a door (DE1). Above the windows are two smaller windows (RL1, RL2). The drawing includes labels for 'New Rwp', 'Existing Concrete Floor', 'Existing Steps onto Lower Level of Garden to Remain', and 'Proposed Extension'. It also shows 'Boundary' lines and 'EX FF' (Existing Finished Floor) and 'EX GF' (Existing Ground Floor) levels.

This architectural elevation drawing illustrates a proposed extension to an existing building. The drawing is set against a light blue sky and a brown ground plane. The existing building on the right features a gabled roof with diagonal hatching and a chimney labeled 'Ex Svp'. A 'New Rwp' (New Right of Way) is indicated on the roofline. The proposed extension, labeled 'Proposed Extension' with a dimension line, is a single-story structure with a brick facade. It includes a 'New Gate' and 'New Steps onto Existing Level'. A 'Shared Access' area is shown between the extension and the existing building. A 'No 54 Extension' is also indicated. A 'Line of Proposed Extension - Application 26/00061/FPH' is shown as a dashed red line. Other labels include 'No 58 Outbuilding Hidden for Clarity', 'Existing Concrete Floor', and 'Existing Steps'. The drawing uses various line styles and colors to distinguish between existing and proposed elements.

Figure 1 displays two scale bars. The top scale bar is for a 1:50 scale, showing a 1m segment and a 5m segment. The bottom scale bar is for a 1:100 scale, showing a 1m segment and a 10m segment.
