Details of the pre-application advice received

In terms of the general layout and appearance of the proposed development, the Council consider that positive amendments have been made from the previous scheme. The development has been simplified to be less suburban in character and has become more agrarian/farmstead instead, which is viewed as an improvement. Some of the dwellings have also been moved north away from Ashwell Street, which would reduce the impact of built form on the character and appearance of this historic throughway, which is also an improvement.

See Planning Statement for full pre-application response letter dated 24 April 2024
