Subject: RE: Invalid Notification for Application No 26/01382/LBC

Good evening Kerry

Further to your email below and the attached letter, please see attached the following:

- Revised Design and Heritage Statement in which the reference has been changed to grade 2 listing.
- Site photographic record.

I also confirm my agreement to the suggested description.

I trust this is acceptable and the application can now be validated, but please let me know if you need anything further.

Kind Regards,
Boyd
