Hi Kerry,

As requested please find attached the amended plans to reflect showing the low garden wall around the patio and then on the elevation image of the low wall I have added a written dimension for the height of the low wall.

Just to confirm the description needs to say 'Single storey rear extension with parapet wall and erection of low wall, steps and patio area in rear garden.'

Let me know if you require anything further.

Have a great weekend.

Many Thanks

Michelle Dunbar
