4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 No. 3 is a two storey end-terrace dwelling situated on The Old Bakery off Old Park Road, Hitchin.

4.2 **Proposal**

4.2.1 Planning permission is sought for the erection of a single storey rear extension that would measure approximately 2.9m in depth, 3.6m wide and 3.1m in height with 2.1m to the eaves.

4.3 **Key Issues**

4.3.1 The key issues for consideration are as follows:

--The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.

--The impact that the proposed development would have on the living conditions of neighbouring properties.

--The impact that the proposed development would have on car parking provision in the area.

Design and Appearance:

4.3.2 The objectives of the NPPF include those seeking to secure high quality design and a good standard of amenity (Section 7 - Requiring good design). In this regard, Policy 28 and 57 of the Local Plan is consistent with the NPPF.

4.3.3 The proposed development would be sited to the rear of the application dwelling and out of view of the surrounding street scene. Furthermore, the extension would be of an appropriate scale to that of the host dwelling given its limited depth, width and single storey height.

4.3.5 Given the above, it is considered that the proposed development would not result in an unacceptable impact upon the character and appearance of the host property and would therefore be compliant with Policy 28 and 57 of the District Local Plan and the core principles set out within the National Planning Policy Framework.

Impact on Neighbouring Properties:

4.3.6 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy 28 of the Local Plan.

4.3.7 The application site is neighboured by No. 1-6 Old Bakery. Given the limited 3m depth and single storey height, the development would result in no unacceptable impact upon neighbouring light, privacy or amenity. Furthermore, the proposed development would result in no unacceptable overbearing impact upon neighbouring occupiers and is therefore compliant with Policy 28 of the District Local Plan and the aims of the National Planning Policy Framework.

Highways and Parking:

4.3.9 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

4.4 **Conclusion**

4.4.1 The proposed development is considered acceptable and are considered to comply with the necessary provisions of both the existing and emerging Local Plan policies and the National Planning Policy Framework. Grant conditional permission.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.
