Terms and conditions

- Quotation valid for 30 days.

- Prices are strictly net and subject to prevailing V.A.T rates at time of invoice.

- All quotes are subject to a site survey by Axo Leisure Ltd unless sufficient site information is supplied prior to order.

- Payment terms to be agreed upon prior to order.

- Lead times vary from product to product. Generally minimum 4 weeks manufacture time on steel products.

- Equipment warranties vary from product to product, specific warranties available on request.

- Axo Leisure guarantees installation for 1 year, any defects relating to faulty installation to be reported within this time period.

- Identification and redirection of existing underground services (electricity, water etc) by others.

- No allowance has been made within this quotation for the preparation or reinstatement of access routes unless stated.

- Reinstatement, where quoted, includes the raking and grading of topsoil around the installation area and the application of grass seed.

Axo Leisure cannot guarantee the success of grass seed germination as this is seasonal and weather dependant.

- Where acrylic line markings have been quoted, application is weather dependant, therefore Axo Leisure may issue a partial invoice for any works completed excluding line markings, which will be carried out and invoiced at a later date.

- Where acrylic anti-slip court paint has been quoted, application is seasonal (Spring - Summer), therefore Axo Leisure may issue a partial invoice for any works completed excluding court painting, which will be carried out and invoiced at a later date.
