

CDM Regulations 2015
Denotes a significant hazard or difficult management procedure. Please refer to drawing notes for potential hazards. Main contractor to plan for mitigation measures in response to hazards.
CDM Regulations require that all projects are to:
· **Have workers to be competent and are suitably skilled for the work they carry out;**
· **Contractors to provide appropriate supervision, instruction and information to all on site workers to provide a safe working environment;**
· **Have a written construction phase plan.**

Worcester Lloyd are appointed as 'Designer' only, unless a written appointment has been completed for the formal appointment as 'Principal Designer'

NOTE:
Garden shown as existing. For proposed external layout, see drawings:
