Details of the pre-application advice received

Pre-application scheme for single detached dwelling - Response of no objection to the principle as an infill site within the main village area of Ickleford stating 'The site for the proposed dwelling is not considered inappropriate development in the Green Belt, as it would constitute limited infilling in a village'.

The siting and design likely acceptable from the indicative details, materials to match the nearby dwellings. Landscaping features of the front boundary tree and hedgerow should be retained.

Follow up officer advice issued by email in regard to a pair of semi-detached dwellings, instead of one dwelling. Officer considered the two dwellings to still be 'limited' and could work well. Parking ideally not on frontage and to be at sides of dwellings, to retain landscaped frontages and the front boundary tree retained. This now formal application is prepared on this basis.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
