Dear Sir / Madam,

**Adjoining Authorities Consultation : Proposed solar farm and overhead line connection to the national grid in Cambridgeshire that will generate around 500 megawatts of electricity.**  
**NORTH HERTS DISTRICT COUNCIL: ADJACENT AUTHORITY : CONSULTEE ONLY**  
**Kingsway Solar, Melbourn Road, Royston, Hertfordshire,**

Thank you for consulting North Hertfordshire District Council on the above.

Having reviewed the documents on your website and the targeted consultation booklet, I can confirm that NHDC has no detailed comments to make in relation to the proposal, given its distance from North Hertfordshire.

Our comments remain the same as in our consultation response dated 5<sup>th</sup> November 2025.

I am sure that you will have consulted the relevant Highways Authorities and Highways England, and that they will consider the impact of the proposed development on the operation of the highway network.

We also assume you will consider the impact of the proposed development in the wider landscape.

Yours faithfully

S Greener

Shaun Greaves  
Development and Conservation Manager
