Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The original permission requires that a corner portion of the existing garage is removed and the garage width therefore reduced with a new side wall. We now seek with this application to leave the existing garage as it is.

Please state why you wish to make this amendment

When the building costs were agreed, the building works commenced at the rear of the house. After a few weeks the builder realised that the drawings that he had priced against included for the removal of a corner of the Garage and rebuilding of a new garage wall in the new position. He had not costed for this, which then put the completion of the project in doubt.

I was instructed to approached the Heritage Foundation and they approved the change as a minor amendment. We are now approaching North Herts Council planning department for their formalisation as a minor amendment also.

He said, "In my view, this change to the scheme would be suitable to formalise as a Non-Material Amendment given the minor differences and the fact it's actually retaining what is already there. Please submit an NMA when you can."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
