Dear Paul,

Re: Details reserved by condition 13 (Archaeological Written Scheme of Investigation) of planning permission reference no 21/03380/FP granted 11.03.2024 | Land To The North And East Of Great Wymondley Arch Road Great Wymondley Hertfordshire

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting us on the above application.

The applicant has submitted an archaeological WSI for archaeological excavation (PCAS Archaeology).

In this instance it is satisfactory, however we do have one comment. The details on page 9 should be changed from Lincolnshire Historic Environment Team and Museum to this office and North Herts Museums Service. This change may be made in due course for our records and in this instance does not affect our advice below.

Recommendation

We can now recommend that 13 can be partially discharged and that the onsite archaeological works proposed within this WSI may commence.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Andy Instone
Senior Historic Environment Advisor, Hertfordshire LEADS
Environmental Sustainability

Hertfordshire LEADS provides Landscape, Ecology, Archaeology, Design and Sustainability support to planning departments in Hertfordshire.
