Hi Christine

File updated and BNG checked by the ecologist for validation.

Please can you confirm that you agree to the amended description. Written confirmation to the description change will be published on the website

Alterations to existing first floor flat to include raised roof extension and insertion of rear dormer; second floor side window and front and rear rooflights to facilitate loft conversion into habitable accommodation. Insertion of first floor rear Juliet balcony. Alterations to fenestration. Installation of permeable hard landscaping to front, side and rear and addition of two car parking spaces. Erection of timber framed car port.
