7. Amended description of development

We confirm agreement to the amended description of development as set out in your letter, namely:

Change of use of land to residential static caravans/park homes to include footpath extension, parking, improved access points and associated landscaping (including changing the levels of part of the quarry area) and infrastructure.

We also note that written confirmation of this agreement will be published on the Council's website as part of the application record.

We trust the above assists and would be grateful if the Council could confirm whether the enclosed information and proposed approach are sufficient to progress validation of the application. Where further information is considered necessary, we would be grateful for this to be clearly identified so that any remaining matters can be addressed promptly.

Kind regards,
Colin Begeman
