HCC received: 30 July 2024
Area manager: Manjinder Sehmi
Case officer: Paul Marshall

Location

Reading Room, 12 High Street, Barkway, Royston, SG8 8EE

Application type

Full Application

Proposal

Full Planning Permission : Replace existing entrance steps with an access ramp and replace existing retaining wall

Recommendation

Notice is given under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

HCC as Highway Authority recommends inclusion of the following Advisory Note (AN) to ensure that any works within the highway are carried out in accordance with the provisions of the Highway Act 1980.

AN1) Storage of materials: The applicant is advised that the storage of materials associated with the construction of this development should be provided within the site on land which is not public highway, and the use of such areas must not interfere with the public highway. If this is not possible, authorisation should be sought from the Highway Authority before construction works commence. Further information is available via the County Council website at:

<https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN2) Obstruction of highway: It is an offence under section 137 of the Highways Act 1980 for any person, without lawful authority or excuse, in any way to wilfully obstruct the free passage along a highway or public right of way. If this development is likely to result in the public highway or public right of way network becoming routinely blocked (fully or partly) the applicant must contact the Highway Authority to obtain their permission and requirements before construction works commence. Further information is available via the County Council website at: <https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

COMMENTS

The proposals are for Listed Building Consent: Replace existing entrance steps with an access ramp and replace existing retaining wall. High Street is maintainable by the highway authority and is unclassified and provides a local access function in the road hierarchy. The vehicle speeds past this site are limited to 30 mph. There have been no recorded accidents near the site in a rolling 5-year period.

Policy Review:

The key documents used to assess the application are:

- Manual for Streets 2007
- National Planning Policy Framework (July 2021)
- Hertfordshire County Council's (HCC) Local Transport Plan-4 [2018-2031, May 2018]
- HCC's Place & Movement Planning Design Guidance (adopted in March 2024)

PLANNING HISTORY

The application site has no previous planning history.

DRAWINGS

The Highway Authority note the submission of materials in support of the planning application, including drawing numbers: RR/TB/24/1 and RR/TB/24/2

ACCESS

The proposals are for a pedestrian only access ramp to replace the existing damaged and worn-out steps. The ramp follows a similar level to the existing steps. The small wall to the north side of the ramp will be renewed. This will provide a safer access for all pedestrians.

CONCLUSION

Subject to the informatives the highway authority would not wish to restrict the grant of planning permission.

Signed

Paul Marshall
