NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

Sworders
3 The Gatehouse
Hadham Hall
Little Hadham
Ware
SG11 2EB
United Kingdom

Applicant:

Mr Lafferty

PARTICULARS OF DEVELOPMENT

Application: 25/02816/FP

Proposal: Erection of two detached dwellings and one detached garage to serve plot 2 following demolition of existing detached garage including parking, landscaping and extension of existing vehicular access off Stevenage Road (existing vehicular access off Sperberry Hill permanently made redundant).

Location: Ryefield, Stevenage Road, St Ippolyts, Hitchin, Hertfordshire, SG4 7PE

Plan Nos: LAF3479-224338-DWG-006 LAF3479-224338-DWG-002
LAF3479-224338-DWG-003 LAF3479-224338-DWG-004
LAF3479-224338-DWG-005

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 4 November 2025, subject to the following condition(s):

Biodiversity Net Gain

1. The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:
(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.
The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be North Hertfordshire District Council.
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply (<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>).
Based on the information available this permission is considered to be one which will require the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements are considered to apply.

Planning Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. Prior to the commencement of above ground construction works of the development hereby permitted full details of a comprehensive hard and soft landscaping scheme (including planting details) and all boundary treatments shall be submitted to and approved in writing by the Local Planning Authority. All approved hard standing and boundary treatments shall be completed prior to the first occupation of the development.
The approved soft landscaping / planting details shall be carried out before the end of the first planting season following either the occupation of the (first) dwelling or the completion of the development, whichever is the sooner; and any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced during the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to vary or dispense with this requirement.

Reason: To ensure the development is comprehensively landscaped in the interests of visual amenity. Local Plan Policies D1 and N2

4. None of the trees to be retained on the application site shall be felled, lopped, topped, uprooted, removed or otherwise destroyed or killed without the prior written agreement of the Local Planning Authority.

Reason: To safeguard and enhance the appearance of the completed development and the visual amenity of the locality.

5. Before the commencement of any other works on the site, trees to be retained shall be protected by the erection of temporary chestnut paling or chain link fencing of a minimum height of 1.2 metres on a scaffolding framework, located at the appropriate minimum distance from the tree trunk in accordance with Section 4.6 of BS5837:2012 'Trees in relation to design, demolition and construction - Recommendations, unless in any particular case the Local Planning Authority agrees to dispense with this requirement. The fencing shall be maintained intact for the duration of all engineering and building works. No building materials shall be stacked or mixed within 10 metres of the tree. No fires shall be lit where flames could extend to within 5 metres of the foliage, and no notices shall be attached to trees.

Reason: To prevent damage to or destruction of trees to be retained on the site in the interests of the appearance of the completed development and the visual amenity of the locality, and to comply with Policy NE2 of the North Hertfordshire Local Plan 2011 to 2031.

6. Prior to the commencement of development, a survey shall be undertaken to identify the root protection zones of all trees to be retained where construction or excavation works are proposed. Where roots with a diameter of 25mm or greater are identified, any excavation within the root protection zones shall be carried out by hand. A construction method statement detailing safe construction practices within the identified root protection zones, and demonstrating compliance with BS5837:2012 - "Trees in relation to design, demolition and construction - Recommendations" and BS3998:2010 "Recommendations for tree work", shall be submitted to and approved in writing by the Local Planning Authority before development commences. The development shall thereafter be carried out fully in accordance with the approved details.

Reason: To prevent damage to or destruction of the trees to be retained on the site in the interests of the appearance of the completed development and the visual amenity of the locality, and to comply with Policy NE2 of the North Hertfordshire Local Plan 2011-2031.

7. Prior to the first occupation of the dwellings hereby approved, details of the Air Source Heat Pump shall be submitted to the LPA and approved in writing and installed on site.

Reason: To ensure that there are no adverse impacts on the design of the dwelling hereby approved or adverse harm on the amenities of the neighbouring occupiers. Local Plan Policies D1 and D3

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended no development as set out in Classes A, B, C and E of Part 1 of Schedule 2 to the Order, (or any subsequent Statutory Instrument which revokes, amends and/or replaces those provisions)

shall be carried out without first obtaining a specific planning permission from the Local Planning Authority.

Reason: Given the nature of this development, the Local Planning Authority considers that development which would normally be "permitted development" should be retained within planning control in the interests of the character and amenities of the area and to comply with Policy D1 and/or Policy D3 of the North Hertfordshire Local Plan 2011 to 2031

9. No development hereby approved shall commence until a suitable Noise Assessment has been undertaken, submitted to and approved in writing by the Local Planning Authority. The Noise Assessment shall identify all potential sources of noise likely to impact on the site, and assess them in accordance with relevant procedures and standards. The results will be reported in writing to the Local Planning Authority, and the report shall identify suitable measures to control noise impacts on future occupiers of the development. The development shall be carried out in accordance with the approved noise mitigation details prior to the first occupation of the permitted dwelling.

Reason: To protect the amenity of any future occupier

10. Prior to the commencement of above ground construction works of the development hereby permitted a plan of cycle parking should be submitted in accordance with (Cycle Infrastructure Design' DfT Local Transport Note 1/20 (July 2020) and approved in writing by the Local Planning Authority. Prior to first occupation the approved scheme shall be fully implemented and thereafter retained for this purpose.

Reason: To ensure the provision of adequate cycle parking that meets the needs of occupiers of the proposed development and in the interests of encouraging the use of sustainable modes of transport in accordance with Policies 1, 5 and 8 of Hertfordshire's Local Transport Plan (adopted 2018)

11. Prior to the first occupation of the development hereby approved, a scheme for the screening of the bin stores shall be submitted to and approved in writing by the LPA. The approved scheme shall be installed prior to occupation and the development and thereafter retained.

Reason: To ensure acceptable design in accordance with Policies D1 of the adopted North Hertfordshire Local Plan 2011 - 2031.

12. No gates shall be provided across the approved vehicular access to the site.

Reason: In the interests of highway safety and to comply with Policy T1 of the North Hertfordshire Local Plan 2011 to 2031.

13. No development shall take place until an Ecological Enhancement Plan (EEP) for the creation of new wildlife features such as the inclusion of integrated bird/bat

and bee boxes in buildings/structures, and hedgehog holes in fences has been submitted to and approved in writing by the local planning authority.

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the North Herts Local Plan policy NE4.

14. The dwellings hereby approved shall incorporate 1 Swift Brick each within the built fabric of the property. Once installed, the Swift Brick shall be maintained in perpetuity.

Reason: To ensure the proposal has regard for wildlife and contributes to net gains in biodiversity, in line with Policy NE4 of the Local Plan

15. No external lighting shall be installed unless and until a scheme providing the details of the lighting have been submitted to and approved in writing by the Local Planning Authority and then implemented in accordance with the approved details and thereafter maintained as such.

Reason: In order to protect the character and appearance of the area and night-time ecology in accordance with Policy NE2 of the North Hertfordshire Local Plan 2011-2031 and Section 15 of the NPPF 2024.

Proactive Statement:

Planning permission has been granted for this proposal. The Council acted proactively through early engagement with the applicant at the pre-application stage which led to improvements to the scheme. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Signed:

Shaun Greaves

The Council's Privacy Notice is available on our website: <https://www.north-herts.gov.uk/home/council-data-and-performance/data-protection/information-management-gdpr>

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.
- 3 The fee is £298 per request or £86 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:
www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-application
- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.
- 5 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

6 Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.

8 Cadent Gas Informative:

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com Alternatively you can register on www.beforeyoudig.cadentgas.com This service is free of charge.

THIS PLANNING PERMISSION DOES NOT CONSTITUTE APPROVAL UNDER BUILDING REGULATIONS AND IS NOT A LISTED BUILDING CONSENT OR CONSERVATION AREA CONSENT. IT DOES NOT CONVEY ANY APPROVAL OR CONSENT WHICH MAY BE REQUIRED UNDER ANY ENACTMENT, BYE-LAW, ORDER OR REGULATION OTHER THAN SECTION 57 OF THE TOWN AND COUNTRY PLANNING ACT 1990.
