Dear Sarah,

Application for Approval of Details Reserved by Condition 23 of 24/01013/HYA - Hybrid application for residential development of up to 325 dwellings at Land Surrounding Burloes Cottages, Royston, Hertfordshire

Vistry (Northern Homes Counties) (the applicant) are please to enclose an application for approval of details reserved by **Condition 23** of 24/01013/HYA.

Permission was granted on 2 July for *“Hybrid application for residential development of up to 325 dwellings comprising (a) full planning application for Phase 1 comprising 106 dwellings and associated infrastructure including access from Newmarket Road, emergency and pedestrian/cycle access from Burloes Hall Drive, internal highways, public open space, landscaping and drainage and b) outline application for up to 219 dwellings and associated infrastructure with all matters reserved apart from primary means of access and emergency and pedestrian/cycle access from Burloes Hall Drive”* (North Herts reference 24/01013/HYA).

In addition to this letter, the application comprises:

- Approval of Details Reserved by Condition Application Form
- 2307-831-110B BASIN DETAILS SHEET 1 OF 2
- 2307-831-111A BASIN DETAILS SHEET 2 OF 2

The application has been submitted via the Planning Portal (reference PP-15063889) and the fee paid via the online payment system.

Condition 23 (SuDs Phase Plan)

Condition 23 states:

Prior to commencement of development a detailed Site SuDS Phase plan which aligns with the site phasing plan shall be submitted to and approved in writing by the Local Planning Authority. This SuDS Phasing plan shall ensure that each phase does not exceed the agreed discharge rates for that phase and that source control measures are installed within each phase to adequately address the phases own surface water runoff.

The plan shall ensure that each SuDS component is adequately protected throughout the development of the scheme. The plan shall show all exceedance routes throughout the site clearance and construction of the scheme ensuring flood risk is not increased elsewhere or to the site itself and that the site remains safe for all exceedance event flow routes for the lifetime

of the development during rainfall (i.e. greater than design events or during blockage) and how property on and off site will be protected.

We therefore request that the condition is discharged without delay. Should you require any further information, please do not hesitate to contact me using the details below.

Yours sincerely
