YOUR COMMENTS ON THE CASE

I would like to object to the plans to create a car park between Ickleford and Hitchin on Old Hale Way. This is green belt land and as such should not be built on. It is also very close to the river Hiz which is likely to be negatively impacted. There is a lot of wildlife in the area including otters and these should not be compromised. There is no requirement for this amount of extra parking for Ickleford. If the car park is used for car boot sales and farmers' markets the surrounding roads are going to have a lot of extra traffic which could result in accidents. To summarise, please do not reverse the previous decision to refuse this application.
