Site: **114 Ridge Road, Letchworth Garden City, Hertfordshire, SG6 1PT,**

Description of development: Replace 8no. timber, single-glazed windows with Pvcu, double-glazed windows.

The North Herts Council, in pursuance of their powers under the above-mentioned Act and the associated Orders and Regulations, hereby REFUSE TO GRANT A CERTIFICATE OF LAWFULNESS OF PROPOSED WORKS for the works described above in respect of the afore-mentioned land and edged in red on the plan attached hereto.

0. The reason for the determination is as follows:-

Nos. 2-122 (evens) Ridge Road are grade II listed and form a pioneer estate designed by B Parker and R Unwin in 1906 for the Garden City Tenants Limited, and comprises 13 grouped terraces forming a cul-de-sac and village green layout. These properties are located within the Letchworth Conservation Area. By reason of the change of frame material from timber to PVCU, the glazing system

incorporating 28mm double-glazing and together with the lack of construction details to illustrate that the split transom and single transom alongside can be readily manufactured as part of the Rehau Rio process to replicate the original window design found elsewhere on the Birds Hill Estate, the replacement windows would affect the listed building's special character, thus, will require listed building consent. The works are, therefore, not considered lawful within the meaning of Section 26H(2) of the Planning (Listed Buildings and Conservation Areas) Act 1990 and the Certificate of Lawfulness of Proposed Works is refused.
