| <p>Tim has been to have a look at tree works for your order 920 329, Haygarth, Knebworth.</p> <p>He has had an in-depth look at the circled area, and provided you his suggested works ( see below). These will cover immediate safety requirements, and cover the maintenance requirements to help to keep it in check for the future, as well as providing much needed TLC for that beautiful Oak specimen.</p> <p>Here are the suggested works for now, alongside a rough sketch plan to show the locations of individual trees. The area has a blanket TPO so we will need to apply for permissions from the local authorities for these works.</p> <p>Suggested works for Haygarth order 920 329, as circled in blue on your plan...</p> <ol style="list-style-type: none"> <li>1) Yew (residents concerned), Clear from path &amp; reduce away from 68.</li> <li>2) Beech, Girdle ivy @ 1.5m.</li> <li>3) Oak (a magnificent tree!), Remove 4x Elm, 3x Sycamore, 1x Norway Maple from beneath crown of Oak .
