Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The property is a listed building and forms part of a designated conservation area. The existing uPVC windows to the rear elevation are modern replacements that do not reflect the historic character or significance of the building.

The proposal seeks to remove these inappropriate uPVC units and replace them with traditionally detailed timber windows, designed to match the original style, proportions and materials of the building.

The works are limited to the rear elevation and will not involve any alteration to the size of the existing openings or structural changes.

The proposal will enhance the character and appearance of the listed building and better preserve its architectural and historic significance, in accordance with national and local heritage policies.

Has the development or work already been started without consent?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
