

**SAVE OUR
WHITE
HORSE**

Close study of the planning application has revealed many inaccuracies as well as non-compliance with both local and national planning policy.

We know of many pubs that have been in similar situations to The White Horse, and, after failed planning applications, have been restored to thriving businesses. We are optimistic that, with your support, their success can be replicated in Kimpton.

New Planning Application

Act NOW to Help Save The White Horse!

**SAVE OUR
WHITE
HORSE**

After years of deliberate neglect, the owner has submitted another planning application similar to the last failed attempt: conversion to residential with a "micropub".

This is NOT what our village needs

Our growing village needs a traditional country pub to fully satisfy and support the increasing population.

Objecting to this planning application will help to restore The White Horse as:

- a welcoming traditional country pub
- a relaxing venue serving real ales and good food
- a social hub serving everyone in our community

Closing date for objections is 5th March 2025
