

It is the responsibility of the Contractor to check all setting out information (levels, dimensions, co-ordinates, etc) indicated on this drawing for the whole of the works prior to commencement of the works and record the results on a copy of this drawing. The Design Team shall be notified of any discrepancies and no work shall be commenced until further instructions are received in writing.

For construction purposes use given dimensions only

These drawings are produced for planning purposes only and form part of the planning feasibility stage of this project. They do not constitute or represent any pre-construction information for the purposes of CDM 2015 or do they confirm in any way that the PD role under these regulations has been assigned at this stage.
